Forecast for Saturday 16 Jul 2022

Weather: Any isolated mist and fog patches in the valleys will rapidly clear this morning. Staying dry and bright with plenty of prolonged sunny periods and some scattered high cloud at times. Clear skies and patchy cloud continues into the evening and overnight.

Chance of cloud-free hill tops above 600m: 90% chance or greater throughout.

Low cloud and visibility: Isolated mist and fog patches in the valleys and patchy cloud at the summits will bring temporarily poor visibility at first, but this will clear quickly. Cloud will be above the summits throughout today, with excellent visibility across the hills expected, but occasionally hazy at lower elevations.
